

We are opening our Application Process for Volunteer Board Members for 2024.

The Pas Tri-Community Foundation is a member of The Winnipeg Foundation, a public charitable organization, built through generous gifts of all sizes that are pooled and permanently invested. The Foundation invests the contributions it receives in a perpetual endowment fund and uses the income earned to make grants to a wide range of charitable groups – grants that benefit our local communities in Northern Manitoba. Anyone can become involved in helping to build the assets of the Foundation – individuals, families, corporations, and groups.

The Pas Tri-Community Foundation is your local community foundation who believes in a sustainable future for all our communities. Whether as grantors, and investors, or as a valued community leader with deep local knowledge, our diversity is our strength, and is essential to creating a future where everyone belongs.

The Pas Tri-Community Foundation is seeking volunteers for three-year terms on our Board of Directors commencing in 2024.

We are actively recruiting dynamic, engaged, and passionate community members to join our Board. Applicants with a broad range of skills, perspectives, and expertise. We welcome applicants with a diversity of lived experiences, grassroots experience, accounting and financial experience, legal expertise, and individuals with network leadership experienced applicants from our tri-communities.
