Volunteer Board of Director’s Application Form

The Pas Tri-Community Foundation is a member of The Winnipeg Foundation, a public charitable organization, built through generous gifts of all sizes that are pooled and permanently invested. The Foundation invests the contributions it receives in a perpetual endowment fund and uses the income earned to make grants to a wide range of charitable groups – grants that benefit our local communities in Northern Manitoba. Anyone can become involved in helping to build the assets of the Foundation – individuals, families, corporations and groups.

We are opening our Application Process for Volunteer Board Members for 2024
